

Support group registration is managed through Calendly. Advance sign-up is required, and each group is limited to 15 participants. You may register for more than one group. Please read the descriptions carefully before signing up, and if your plans change, cancel your reservation so another attendee can participate.

Please note that these are peer support groups, not individual or group therapy, and they are not intended to replace clinical services.

Facilitated by:

Kiley Richards, LISW

Al Freedman, PhD

Please click the date and time below in **light green** to sign-up.

Neuropsychiatric Illness Caregiver Support Group

Choose one of two time slots:

Thursday | 11:00 AM to 12:15 PM MT

Homestead 1

Thursday | 2:40 PM to 3:55 PM MT

Homestead 1

The Neuropsychiatric Illness Group is a closed group for caregivers whose child is going through or has gone through a period of neuropsychiatric illness. This group is NOT an informational session about neuropsychiatric illness. This group is not intended to help determine if your child is going through a period of neuropsychiatric illness.

Newly Diagnosed Group

Thursday | 4:05 PM to 5:20 PM MT | Homestead 1

The months following a Phelan-McDermid syndrome diagnosis can be very difficult. This group is a closed support group for parents of Phelan-McDermid syndrome individuals who were diagnosed within the last twelve months. Come to this group for support with the unique challenges associated with coping with a new diagnosis.
